

Your guide to the

# Lackham college bus network

This leaflet contains details of the network of special bus services being provided for students attending Wiltshire College's Lackham site during the 2009/10 academic year.

These services have been designed to provide connections with a number of other bus routes to allow daily access to the college from as much of Wiltshire as possible. Indeed there are so many connections available that we do not have space in this leaflet to show them all, so if we haven't included details of buses from your home town or village, please ring Wiltshire Council's education transport hotline on **01225 713365** for details of the best route for you to use.

These services are available to all passengers and normal fares will be charged to any student unable to produce a valid Wiltshire Council bus pass. These passes are available to most full time Lackham students upon payment of an annual charge of **£360** and allow the holder to make one journey to/from the college on days when the college is open. To apply for your bus pass, please pick up a form from the student services' office at Lackham college.

If you need to travel to/from Lackham college at other times, "First" service 234 and Faresaver service X34 provide an hourly service between Trowbridge, Melksham and Chippenham, stopping at the old gates to Lackham college on the A350. Timetable details are available by ringing "Traveline" on **0871 200 22 33** (please note that Wiltshire Council bus passes CANNOT be used to travel on services 234 & X34).

If you have any comments about these services, please contact the Wiltshire Education Transport Hotline. Please note that all of these routes may be subject to alteration during the Autumn term depending on student numbers.

**All the buses shown in this leaflet will pick up and set down at any bus stop along the route.**

**Please signal clearly to the driver as the bus approaches**

**Please note that students wearing muddy shoes or boots will NOT be allowed to travel on these buses**

**If your bus is fitted with seat-belts, you must wear the belt throughout the journey - its the law**
